Message from the Executive Director and Board Chair

The last year has been one of growth, change, and opportunity. As we carry forward our Foundation's mandate, we've worked closely with our community to build brand recognition, reach more individuals through social media and community presence, and raise awareness of the needs in our community.

We are grateful for the generosity and care shown by our community, who are committed to ensuring kids involved with Child and Family Services of Grand Erie are able to access timely and meaningful programs.

As we strive to increase our capacity to support kids and families in our communities, we look forward to your continued work and collaboration, building new donor networks and partnerships across Grand Erie. Thank you for your continued support to ensure our kids have the best possible start in life.
