**INVESTING IN CHILDREN
EMPOWERING YOUTH
ENRICHING LIVES**

CFSGE Foundation believes in the equitable access to post-secondary education for youth with lived experience in the child welfare system.

Each year, CFSGE Foundation provides funding support to help students meet financial obligations so they can thrive throughout their academic journey.

EDUCATIONAL GRANT OPPORTUNITIES

Funding support provides young people with the essential resources they need to succeed in post-secondary studies, including technology, tutoring, transportation, food and housing support, and emergency assistance. Your gift helps remove the financial barriers that can prevent a young person from achieving their goals.

EDUCATIONAL BURSARY

CFSGE Foundation provides every young person pursuing a post-secondary educational program with an annual \$1,000 bursary. These funds may be used to support any expenses incurred during the course of their program.

Young people qualify each year upon providing proof of enrollment in an eligible post-secondary program.

EDUCATIONAL SCHOLARSHIP

CFSGE Foundation offers a range of scholarships in various amounts, awarded annually to young people who meet the specific eligibility criteria defined for each scholarship. These awards may be influenced by donor contributions and the nature of the financial gift.

Scholarships offer meaningful, life-changing support for student(s).

EDUCATIONAL ENDOWMENT

CFSGE Foundation welcomes you to create a lasting legacy by establishing an endowed scholarship in your name. Your investment generates annual funding to support student(s) pursuing post-secondary education per year.

This enduring gift ensures that a young person receives education and living expense support every year for generations to come. Endowed funds are invested and managed to ensure the scholarship continues in perpetuity.

For youth who have experienced the child welfare system, education is more than a goal. It is a pathway to stability, independence, and opportunity.
